Those claims look like they belong in class 70, if you need a sub class, the escutcheon claims will be in 70/452, and the lockset with a key pad would be 70/278.1

Christopher,

Please note the e-mail below and indicate whether or not you can accept claims 18-34 for a restriction. Thank you in advance for your assistance.

Gary,

Claims 18-34 appear to be more appropriate to class 70 than to 362; therefore, I would like to do a restriction. The proposed groupings are as follows:

Group 1--8 and 10-17;  
Group 2--claim 9;  
Group 3--claims 18-34.

Please advise as to whether I am correct concerning claims 18-34. If not, please indicate who I should contact next. If you decide a different set of groupings is more appropriate, please notify me.

Thank you in advance for your assistance.
